REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a switch for an electric motor which includes a flexible switch arm for contacting an electrical terminal; a movable control engageable with the switch arm to actuate the arm between a position engaged with the terminal and a position away from the terminal, and a biasing member attached to the switch arm for urging movement of the control toward a generally stationary position against the wall of the housing to inhibit vibration of the control during operation of the motor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A. Friedhofer whose telephone number is 703-308-3304. The examiner can normally be reached on Mon-Fri 6:00 - 2:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Elvin Enad can be reached on 703-308-7619. The fax phone number for the organization where this application or proceeding is assigned is 703-305-3432.
